

Eat Local Everywhere

You'll want to eat local even when you're not on Whidbey Island. The Eat Local First collaborative has a food & farm finder for all of Washington. <https://eatlocalfirst.org/wa-food-farm-finder/>

Rules of the Road

Many farm stands are unstaffed and run on the honor system. Having cash and small change on hand will help!

Farm stands are often located at private homes. Please respect privacy, don't litter, and wait until you're at home or a public area to enjoy your bounty.

Thanks for supporting our local farmers, ranchers, and producers on Whidbey Island!
